Maia Pearce, iOS Developer

I have delivered world-class user experiences to millions of people. Well-versed with Swift, Objective-C, and most of the Apple frameworks.

Work Experience

Apr, 2018 - Current

Square, Mobile Developer, Cash App

- Worked closely with design to prototype and implement investing charts with over a million monthly users.
- Built boosts UI that lead to a 15% increase in Cash App retail purchases.

2017 - 2018

Apple, Software Engineer, iOS

- Deeply integrated Workflow with iOS using internal SPIs, leading to a substantial increase in the number of possible automations.
- Wrote new integrations using Swift, resulting in a 25% performance improvement.

2015 - 2017

Workflow (Acquired by Apple), iOS Engineer

- Worked with Swift and objective-c to set up integrations with third party apps.
- Used iOS and watchOS APIs to deliver a seamless experience across iPhones, iPads, and Apple Watches.
